

BVS HS-Q handheld barcode reader - an economical solution for inventory and logistics

Ergonomic barcode reader with exceptional price/performance ratio

BVS HS-Q handheld readers read all common 1D, 2D and stacked barcodes as well as postal codes in any orientation (tilted up to 40°) up to 40 cm away. With an IP 42 enclosure rating and excellent drop spec, they are ideal for reading codes on documents or labels in inventory and logistics applications. Additional features include: Reading on monitors, displays and moderately reflective backgrounds even while in motion.

The operator-friendly, ergonomic and light weight (200g) reader is intuitive and simple to use. Simply, point and shoot. A successful read is confirmed by audible signal as well as an LED on the reader and an LED projected onto the read code.

Product Area ID		Handheld Barcode Reader	Handheld Barcode Reader	
RS232-Kit	Order code		BVS0021	
	Part number		BVS HS-QB-SDR-MA-01-03	
USB-Kit	Order code	BVS001W	BVS0020	
	Part number	BVS HS-QC-SDR-MA-01-01	BVS HS-QB-SDR-MA-01-02
